Bursary Policy

In certain circumstances, means-tested bursaries may be considered for boarding pupils. All applications for bursaries for both current and new pupils must be completed on the College Bursary Application Form and received by the Bursar, by the last day of term before Easter, in application for the following academic year.

Any receipt of a Bursary in the Junior Cycle (ie years 1-3) will require a new application for the Senior Cycle (ie years 4-6).
